The Prime Rib
Louisiana Live! Casino & Hotel
Restaurant

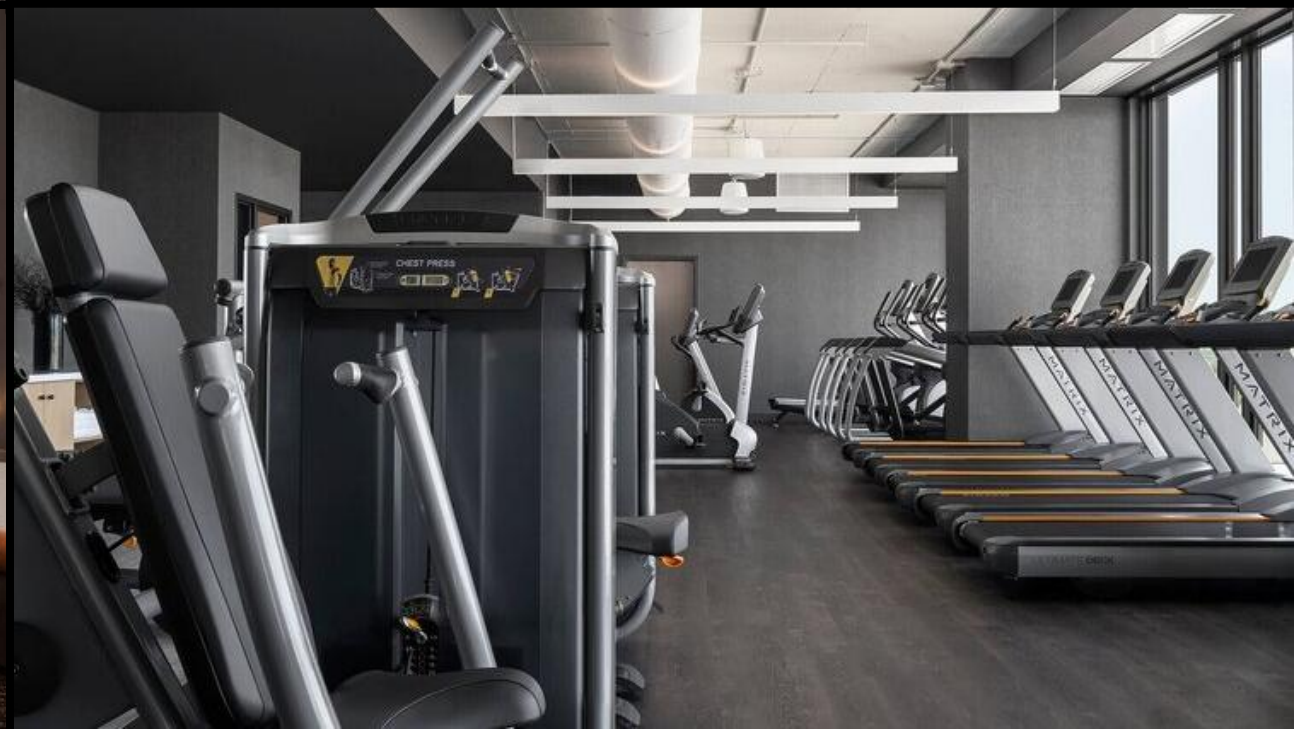

The image captures the interior of a restaurant, featuring a sophisticated design with dark wood paneling and a curved ceiling. On the left, a lounge area is furnished with dark leather sofas and armchairs, accented with light-colored pillows. A large, ornate gold chandelier hangs from the ceiling. In the center, a large arched doorway leads to another part of the restaurant. To the right, a curved bar with a dark countertop is surrounded by high-top stools. The bar's back wall is a well-stocked shelving unit for bottles, with two televisions displaying sports. A large, multi-tiered crystal chandelier hangs over the bar area. The floor is made of light-colored wood in a herringbone pattern.
